

STAR Seal Form for Activities

The Griffin Middle School staff wanted to recognize students who participate in activities out of school. This includes, but is not limited to, Scouts, 4-H, club sports, church groups, and volunteer organizations. Student should have completed all responsibilities associated with being a member of the team or group such as attending meetings, practices and games, and completing projects. It is the leader's choice to decide if a student has earned the STAR seal or not. Students who wish to earn a STAR seal for participation need to have the leader of their activity complete the following form and turn it in to Ms. Cetak at the middle school office.

Form to be completed by group leader

Group or organization name: _____

Student participating: _____

Activities and responsibilities completed by the student:
